MEMORANDUM FOR: Acting Deputy Director (Support)

SUBJECT: Project [REDACTED] - Office of Security

25X1A2d1

25X1A2d1

1. This Office has reviewed the Project [REDACTED] proposal and has no objection to its approval in principle. Funds are not now available in the Fiscal Year 1959 Operating Budget; however, it is possible that savings may materialize later in the year which would permit its financing. If savings do not materialize in Fiscal Year 1959, the lead-time requirements indicated for this Project could still be met by financing from Fiscal Year 1960 funds. This would require the omission of some item presently included in the Fiscal Year 1960 budget.

2. If approved, it is recommended that the financing of this Project be provided by means of savings in Fiscal Year 1959 or revision of the Fiscal Year 1960 budget, as determined at a later date.
